

# Industry-UCB-UEC-Keio Workshop 2019

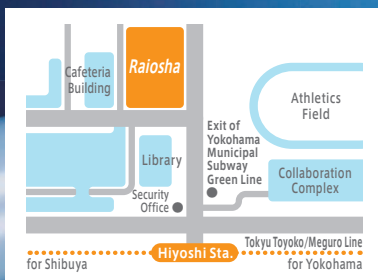

Admission free/No registration required

Language: English

University of California, Berkeley,  
The University of Electro-Communications,  
Faculty of Science and Technology, Keio University

Dec. 10<sup>th</sup> → 11<sup>th</sup>, 2019  
[ Tue ] [ Wed ]

Symposium space and  
large meeting room, *Raiosha*,  
Keio University Hiyoshi campus

2-minute walk from Hiyoshi Station  
(Tokyu Toyoko Line, Meguro Line, or  
Yokohama Municipal Subway Green Line)

## Plenary Lecture

Peter Fitzgerald, Google Japan LLC  
14:45-16:00, Wed., Dec. 11<sup>th</sup>, 2019

## Topics

- Materials Science
- Bio Engineering
- Control Systems
- Optoelectronics and Quantum Information

## Confirmed speakers

Koji Sato (Hitachi Metals, Ltd.)  
Rudy Raymond (IBM Japan Ltd.)  
Gerald Marriott (Bio Engineering, UCB)  
Masayoshi Tomizuka (Mechanical Engineering, UCB)  
Oscar Dubon (Materials Science and Engineering, UCB)  
Junqiao Wu (Materials Science and Engineering, UCB)  
Osamu Kaneko (Mechanical Engineering and Intelligent Systems, UEC)  
Tetsuo Kan (Mechanical Engineering and Intelligent Systems, UEC)  
Takeyoshi Tajiri (Computer and Network Engineering, UEC)  
Takasumi Tanabe (Electrical Engineering, Keio)  
Kosuke Tsukada (Applied Physics and Physico-Informatics, Keio)

and more

Apply for the  
Student Poster Session!
